You are required to respond to **two** essays. Essay 1 is mandatory for all applicants. You may choose to respond to either Essay 2.A or Essay 2.B. Each response must be 500 words or less.

1) In an autobiographical statement, please describe your relevant personal and professional development. You are free to go into as much detail as you feel is appropriate.

2) Please choose **one** of the following essays:

2.A) Please describe your theoretical orientation and how this influences your clinical work.

OR: 2.B) Please describe how your work in this setting, and with this specific population, will contribute to your development as a psychologist and enhance your experience and knowledge of multicultural/diversity issues. (Note that this is a site-specific essay, and it should be tailored to each site to which you are applying).

## Attestation

By signing below I attest that all information provided herein is true to the best of my knowledge and that I have not intentionally misrepresented myself or doctoral program in any way. I understand that any intentional falsification, on this application or during any aspect of the internship application process, may lead to a withdrawal of consideration or dismissal from the internship program.

Furthermore, I agree to comply with all CAPIC policies, the APA Ethical Principles of Psychologists and Code of Conduct, as well as with the Laws and Regulations of the California Board of Psychology. By signing below I also agree to comply with the rules and policies of the internship program and institution(s) in which the internship training takes place.

I have read fully the information provided to me regarding the internship program to which I am applying, and agree to start the internship on the date specified in these materials.
